### STEPS POST THIS EMPANELMENT CERTIFICATION

Once an organisation is empanelled with the TISS AESDII, there are 4 modes of partnership:

- The organisation's details along with thematic and geographical areas of empanelment are shared with those corporations and government institutions that have signed MoU with the TISS. With regard to Corporate Social Responsibility (CSR) linkage, partner companies of TISS 'may' get in touch with empanelled partners, as per their CSR policies and areas of engagement.

- Every empanelled organisation is sent both a soft and hard copy of the certificate of empanelment with TISS. Applicant organisations may themselves approach prospective funders with not only a copy of the letter, but most importantly with a project proposal, after doing necessary homework about funder's priority areas for funding.
- TISS also maintains a database of prospective projects from empanelled and affiliated development organisations, based on their adherence to the TISS AESDII, that are ready for support. All empanelled partners of TISS are eligible for applying for empanelment of a flagship project proposal. Your organisation may like to download the TISS AESDII Proposal Bank's proposal template from our website [www.csr.tiss.edu](http://www.csr.tiss.edu) and apply towards the TISS AESDII Proposal Bank by sending an email to [tissaesdiiproposalbank@gmail.com](mailto:tissaesdiiproposalbank@gmail.com) The TISS does not assure funding for empanelled partners, but plays a proactive role in connecting potential funders with potential projects of empanelled partners through its TISS AESDII Proposal Bank.
- Organisation may also get in touch with the TISS AESDII team for partnership and support towards research and capacity building requirement.

Please note that for the duration of the empanelment with the TISS, your organisation may be subject to periodic reviews. If the review team is dissatisfied with your organisation's functioning, your empanelment with the TISS may be terminated. We are sure that you understand that this would be in the interest of building effective partnerships and interventions.

Henceforth, your organisation is eligible to be considered for development projects. You may use this certificate in the course of subsequent interactions with those Institutional partners that have signed MoU with the Tata Institute of Social Sciences.
